[g5element_space spacing="79" spacing_md="59"]Companies seem to dislike the term 'turnaround consulting' because it represents failure. The truth is that turnaround consulting represents success at realizing the company is going in the wrong direction. The only time the company fails is when it is not possible to do a turnaround anymore. We help companies pivot into more profitable directions where they can expand and grow. It is inevitable that companies will end up making a few mistakes; we help them correct these mistakes.
